

## Attention Future Teachers!

If you are a student in a Florida college or university preparing for a career in teaching, the Student Florida Education Association invites you to join America's fastest growing professional organization for future teachers. As an incentive to new members we are offering an early enrollment special during our Spring membership drive. You get 16 months of benefits for the price of a single year membership!

### **Who's eligible?**

First time NEA Student Program Members.

### **When can you join?**

You can join online anytime between April 1st and August 31st, 2008.

### **When will your membership end?**

Join now and your membership will last until August 31, 2009!

### **What are the benefits?**

You will already be signed up for the 2008-09 membership years but between now and September 1st, you will have access to liability insurance coverage and select NEA Member Benefits discount programs.

### **How much does it cost?**

Annual 12 month dues are \$32 but first-time members can get up to 16 months.

### **How do you sign up?**

Go to the NEA website for details and sign up today!

**Are you ready to reap the benefits of the Student Florida Education Association and NEA Student Program membership?**

Join online at

# Student FEA Leading The Way!

## Welcome to the Student Florida Education Association and the National Education Association Student Program

If you are a student attending one of Florida's colleges or universities and preparing to become a Teacher, the Student Florida Education Association is the professional organization for you! There are many advantages of being a part of the SFEA Program and a member of the education family of the Florida Education association, the National Education Association and The American Federation of Teachers.

Those benefits include:

- **Legal Services:** The NEA-Student Program provides \$1 million in professional liability coverage. This coverage is very important when you work as a pre-intern or intern. We also offer many other legal services such as will writing, consulting, etc.
- **Professional Workshops for Educators:** We cover interviewing skills, teacher preparation, classroom management and organization, teaching strategies, stress management, diversity training and much, much more. Professional trainers in the FEA, AFT and NEA are ready to help you.
- **Publications:** "Wisdom on Demand" A CD-ROM guide to professional "best practices" and success. *NEA Today*, *Tomorrow's Teachers*, and the *FEA ADVOCATE* are available to members.
- **Dues Rebate After Graduation:** During your first year of teaching as a regular "active teacher" member in Florida, you'll be eligible to receive a rebate of \$20 for each year you were a student member.
- **Scholarships:** Student members are eligible for Scholarships and Leadership training: Members can gain skills in communication, time management, group management, organizing, and publishing.

- **Community Outreach:** Student members can work alongside peers and working professionals to make positive differences in communities across the country. Special grants are available for student chapters that want to start an outreach program. Local FEA affiliates are also available to help.
- **Technical Support and Assistance:** If you've got a great idea for a campus workshop but need some help to pull it off, FEA, AFT and NEA can help. Student Program members are part of a network that includes local association leaders, FEA staff, state affiliate officers, and staff at FEA, AFT and the NEA headquarters in Washington D.C.
- **Legislation and Lobbying:** FEA, NEA and AFT offer strong support for America's public schools on national and state levels. As a member, you can be a part of this process and support pro-public education legislation.
- **SFEA Member Discounts and Services:** As an SFEA member, you'll receive special benefits and discounts on professional and consumer products and services, including:
  - low-interest credit cards
  - car rentals
  - 10% discount on textbooks from Barnes and Noble
  - early-start investment plan for retirement
  - life insurance
  - health insurance
  - accidental death and dismemberment insurance
  - magazine subscriptions
