# *Back-to-School*

## WHAT DOES YOUR BACK-TO-SCHOOL LOOK LIKE?

- How are you adjusting to this new academic year?
- What are you looking forward to the most?
- What are you dreading the most?
- How has virtual learning affected you?
- What is something you wish your teachers or professors knew?

Post a picture of your "back-to-school" workspace or first day of class!

***DON'T FORGET TO TAG US!***
