

WHAT A DIFFERENCE TWELVE YEARS MAKES

2010

- Toy Story 3 was the top-grossing movie.
- Tik Tok by Ke\$ha was the most popular song.
- People were clamoring to be educators in Florida. Almost 8,500 students completed a teacher education program. There was not a teacher shortage.
- On average, Florida teachers were paid 36th in the nation.
- **Legislation that would have restricted teachers' pay was vetoed.**

2022

- Buzz Lightyear is getting his own movie; Lightyear will be released on June 17.
- Tik Tok is the most downloaded app in the world.
- In response to legislative attacks on education, **teachers are fleeing Florida. There are more than 9,000 projected teacher vacancies for next school year and fewer than 3,000 students** completed a teacher education program.
- On average, **Florida teachers are paid 49th in the nation.**
- **Ron DeSantis has doubled down on restricting teacher pay** and implemented laws to keep experienced teachers from earning what they deserve.
