

**I VOTED FOR
GOV. DESANTIS,**

BUT HE HAS GONE TOO FAR

I voted for Gov. Ron DeSantis. But in the past few months, he has:

- **Threatened my freedom** to join in union with my colleagues however I see fit.
- **Proposed legislation that violates my privacy** within my union.
- **Jeopardized student learning** by enacting laws that force teachers and media specialists to take books off the shelves of our classrooms and libraries.

Even though I voted for Gov. Ron DeSantis, this is a bridge too far.

**I'M STICKING WITH
MY UNION**
