

# OUR UNION IS OUR BILL OF RIGHTS

No matter where we live, what we look like or the job we do, **our union** works to protect **our rights** and **our students' right** to an honest and high-quality education.

**Our union** establishes **our right** to affordable healthcare for when we are sick; and **our right** to a dignified retirement when we get old; and our right to a safe work place.

**Our union** is our way of showing that we care about each other and about our communities.

**THAT'S WHY  
TOGETHER, WE MUST  
SAY "I'M STICKING  
WITH MY UNION!"**
