**Gov. DeSantis rolled out his plan
to silence your collective voice.
SB 256 would:**

- ✗ **Prohibit** you from having your dues paid through paycheck deduction
- ✗ **Prohibit** your union from communicating with you on school property
- ✗ **Eliminate your contract** if union membership falls below 60%. Losing your contract **puts these rights – and many more – at risk:**
 - ⊗ **Take away** your legal protections
 - ⊗ **Threaten** your health care costs, paid time off and sick leave
 - ⊗ **Take away** negotiated planning time and limits on morning and afternoon duty time
 - ⊗ **Silence your union voice and advocacy**

**I'm sticking
with my union!**
