has his way [REDACTED].

**Gov. DeSantis rolled out his plan  
to silence your collective voice.  
SB 256 would:**

- X Prohibit** you from having your dues paid through paycheck deduction
- X Prohibit** your union from communicating with you on school property
- X Eliminate your contract** if union membership falls below 60%. Losing your contract **puts these rights – and many more – at risk:**
  - ⊘ Take away** your legal protections
  - ⊘ Threaten** your health care costs, paid time off and sick leave
  - ⊘ Take away** negotiated planning time and limits on morning and afternoon duty time
  - ⊘ Silence your union voice and advocacy**

**I'm sticking  
with my union!**
