

In Florida,
teachers earn

.78¢

for every dollar
earned by
professionals
with similar
education
levels.

From 2014-15 to
2023-24, the average
teacher salary in Florida
fell 12.9% in inflation-
adjusted dollars.

A family of one adult
and one child would
need an annual salary
of **at least \$61,002** to
have a modest but
adequate standard of
living in Florida's most
affordable metro area.
